

**HT LinkVue™**

**BETTER VISIBILITY FOR  
GREATER INSIGHTS**

 **HYUNDAI TRANSLEAD**

# HT LinkVue™

## Capture Every Moment

HT LinkVue is a 360-degree trailer camera system that improves driver visibility, reduces blind spots, and increases accuracy during tight dock maneuvers. Now with new AI-enabled capabilities, the system elevates driver confidence and operational reassurance.

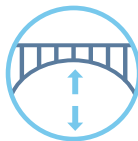

## HT LinkVue+

HT LinkVue+ expands Hyundai Translead's surround view camera system with new AI-enabled capabilities that extend visibility both inside and outside the trailer, supporting improved accountability and active readiness during everyday operations.

### **Moving Object Detection**

Detects and identifies objects surrounding the trailer and provides alerts.

### **Object Height Detection**

Helps identify height-related restrictions.

### **Interior Cargo Camera**

Provides visual confirmation of cargo status.

**Available for both new builds and retrofits to existing equipment.**

## Specifications

---

- Four camera system
- 360-degree bird's-eye view
- Onboard DVR for recording
- Auto Calibration
- Wi-Fi (AP mode)
- Cold weather ready
- Operating temperature:  
-22°F ~ 158°F (-30°C ~ 70°C)

## HT LinkVue App

---

- Blind spot monitoring
- Replay and download recorded video

## Display

---

- Multiple live view options
- Turn signal and rear-view mode
- Can be tailored to your operational needs

## Camera

---
